Dear Larry:

I last talked to you in December, concerning the above named individual. At that time, I ask that we have some sort of substantiation of the statement that he molested a boy in the troop.

We really need newspaper clippings, court records, statements from the boy or parents, or some other material that will help to indicate what actually occurred and to substantiate our refusal of registration anywhere in the country.

I really would appreciate anything you could send me that will help to close this file, since it has continued for quite some time.

Sincerely,

Paul Ernst, Director  
Registration Service

I originally received information on March 22, concerning this individual. I have written several times as well as talking to Mr. Pegg in December. I really need more material if we are to be able to have a strong file.

SUBJECT: Paul A. Dubeau

Dear Larry:

I am very concerned about the length of time since I last heard from you related to the above named individual. In March of 1988, you sent us a Confidential Record Sheet indicating that Mr. Dubeau had molested a boy in the troop. We have not heard from you since that time, although we have sent you four letters asking for additional information.

We must have statements from individuals, copies of newspaper clippings, court records, or other material which would substantiate our refusal of registration. In today's world this is most necessary, if we are to protect the Boy Scouts of America and avoid suit at a later time.

Please send me any information that you can secure which would document and support the refusal of registration.

Sincerely,

Paul Ernst, Director

SUBJECT: Paul A. Dubaud;

Dear Larry:

We have not received any material on this particular individual who was registered as Scout Master of Troop 31. You did indicate on the Confidential Record Sheet that he had molested a boy in the troop.

We would like some substantiation of this in the way of newspaper clippings or court records. Perhaps you can secure another copy if you do not have any available at this time.

Thanks for your help in completing this file

Dear Larry:

This is just a follow up to my letter of April 6, concerning the above named individual. We appreciate the Confidential Record sheet which you sent us.

I would like a copy of a paper with Mr. Dubeau's signature if you have this available. This aids in the identification process.

We would also like to have more information concerning this matter, related to his molesting of a scout in the troop. Please give us statements from individuals and if there is legal action, copies of newspaper clippings or court records. SUBJECT: Paul A. Dubeau

Dear Larry:

Thank you of your letter of March 22 and the Confidential Record Sheet concerning the above named individual. These are helpful to us in starting a confidential file.

I agree that the new adult applications should be helpful in gathering additional information which will help to identify people and help to reduce the number that we have to refuse registration on at a later time.

I would like a copy of an application with Mr. Dubeau's signature, if possible. This aids in the identification process.

We would like more information concerning this case. Can you get statements from the individual who was molested or from the parents. If this is going to trial and becomes a legal matter, we would also like copies of newspaper clippings or court records which would substantiate this charge.

Let us know if we can be of further help to you as we protect the youth of America.

BOY SCOUTS OF AMERICA

Irving, Texas 75015-2079

Dear Paul:

Enclosed is the confidential record sheet on David P. Wilson along with a charter renewal application with his signature.

Also attached to his confidential record sheet are several press clippings- to date I do not know the results of his trial if there has been one.

In addition I have enclosed additional people to be put in the confidential file, what you see is all I can find using my police resources.

I understand from a conversation recently with a P.I. the mother of one of the boys molested by Wilson is suing him. The P.I. did not think she was going to name the BSA in the suit but you might want to alert risk management to the possibility.

We need a better system at the time of registration to gather the information we need after something goes wrong. I hope the new adult application will address that need.

Hope the enclosed information is helpful.

Sincerely,

Lawrence V. Pegg  
Scout Executive
